DropStop® Retail Gift Packs

When you use a DropStop® you will never spill a drop again. Simply roll up the disc, insert it into the bottleneck and pour without spilling a drop. Due to its flexible material DropStop® fits in every bottle.

DropStop® Retail Gift Packs

A retail gift pack is a perfect wine accessory for any liquor store environment. Beautifully presented in a range of gift pack ideas, DropStop provides the retailer with the opportunity make a value added sale with every wine bottle sale.

Packaging Options

A variety of packaging options are available:

- Diamond Pack CD Card: 2 DropStops only
- Mini-disc: 3 - 5 DropStops
- Gift Box: 3 - 5 DropStops
- Retail Hang Sell Pouch: 3 - 5 DropStops

DropStop® Retail Gift packs are ideally used in:

- **Fine Wine Retailers** - A perfect POS accessory, that can be sold as an every day accessory or as that ideal gift to accompany that special bottle of wine.

- **Gift Stores** - An ideal homewares accessory – simple, effective and useful.

DropStop® uses the latest digital printing technology and can imprint in high-resolution full colour. The production process ensures that the ink will not come in contact with the wine, even after multiple uses.
